Continuation of Substance of Interview including description of the general nature of what was discussed:
Responsive to a proposal by applicant's representative to amend claim 1 to define a continuous solid fill to help define over Schragin, the examiner proposed additional amendments detailed on the attached examiner's amendment to more clearly define the claimed non-pneumatic tire in a manner that patentably defines over the closest prior art and especially Schragin. Agreement was reached on these changes in order to place this application into condition for allowance. Applicant's representative also requested a 2 months extension in order to make this amendment and authorized the 2 months extension charge of \$450 to deposit account 23-3000. .
